Dear Howie;

Just got your letter of 31 Oct 49 and I'm here with Charlie Wulfinf trying to get all the poop straightened and settled. I don't know why the hell we here hadn't thought of asking you for a straight 15-minute show before so if it's not too late I'll do just that right now. Whoops! Better make that 13 minutes since our show is definitely contracted for and if we miss those commercials we are done for.

As we see it now we will tape record an entire 15 minute show for you to be sent out this coming Monday. Charlie tells me you have tape facilities so that's what we're counting on. Let me know pronto if such is not the case. From you we will be looking for a 13 minute show (or if it is too late to change the original plans, a 6 minute show).

I hope that we have finally arrived at something resembling a final arrangement as I have flubbed the dub at this end for a long enough period of time. I am not certain whom we can get for the interview but we'll do our best to make it good and we'll send a postal card with that info as soon as we are certain of it. The person who will be handling the interview at this end will be Bill Linden just in case you are interested.

Thanks a lot for working on this with us and I hope everything is successful at both ends.

Sincerely,

Lefty
